We're here for YOU
every step of the way

Section 1 - Introduction

This directory provides a list of Keystone 65 HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You should use this directory to select a primary dental provider.

The "network providers" listed in this directory have agreed to provide you with your dental coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Some covered services require "prior authorization" by the plan in order to be covered. Some of the covered services listed in the Evidence of Coverage book are covered only if your doctor or other plan provider gets "prior authorization" (approval in advance) from our plan. Covered services that need prior authorization (approval in advance) are marked in the Benefits Chart in your Evidence of Coverage booklet.

Please refer to Chapter 4 of the Evidence of Coverage booklet for more information on covered health services that you get from non-contracting providers. If a non-contracting provider submits a bill directly to you and asks you to pay for covered services you received from the non-contracting provider, you should not pay the bill. Instead, please submit the bill to Keystone 65 HMO for processing and determination of your liability, if any. It is best to ask a non-contracting provider to bill Keystone 65 HMO first, but if you already paid for the covered services we will pay you for our share of the cost. You won't have to pay a non-contracting dental provider any more than you would pay a Keystone 65 HMO contracted dental provider.

How do you find Keystone 65 HMO dental providers in your area?

The directory lists the primary dental providers alphabetically by county then by city within each county. If you already know the name of the primary dental provider you would like to choose, you can locate the name of the primary dental provider in the alphabetical index. The alphabetical index will then refer you to the page on which the dental provider is listed. If you do not know the name of the primary dental provider you would like to select, you can begin your search by checking the list of primary dental providers in your area. Before selecting your primary dental provider, please check the dental provider's current office status. 'Current Patients Only' means the dental provider is not accepting new patients at this time. When no status is listed, the dental provider is accepting both current and new patients. Once you have chosen a dental provider, include the provider's name, group practice name and provider identification number on the enrollment form.

If you have questions about Keystone 65 HMO, please call our Customer Service Department at 1-800-645-3965, seven days a week, 8 a.m. to 8 p.m. (TTY/TDD users should call 1-888-857-4816). Or, visit www.ibxmedicare.com. However, please be aware that on weekends and holidays from February 15 through October 14, your call may be sent to an answering machine.
