Introduction

This booklet provides a list of Select Option PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Select Option PDP's formulary. If you have additional questions, please call our Member Services for Select Option PDP at 1-888-678-7009, seven days a week, 8 a.m. to 8 p.m. (TTY/TDD users should call 1-888-457-3002). However, please be aware that on weekends and holidays from February 15 through October 14, your call may be sent to an answering machine. Or, visit www.ibxmedicare.com

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Select Option PDP. In most cases, your prescriptions are covered under Select Option PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Table of Contents

This directory is a listing of network pharmacies for Select Option PDP, including Chain Pharmacies, Home Infusion Pharmacies and Long Term Care Pharmacies. Use the Table of Contents provided to locate the desired pharmacy type. Pharmacies are listed alphabetically by state, county and then by city within each county. If you already know the name of the pharmacy, you can locate the pharmacy in the alphabetical index. The alphabetical index will then refer you to the page on which the pharmacy is listed. If you do not know the name of the pharmacy, you can begin your search by checking the list of pharmacies in your area.
