Ready to Enroll?

Choose the right plan for you

When enrolling in a Medicare Advantage plan, it's important to check the plan's network and formulary to see if your doctor or drug is covered.

How to find a network provider

1. Go to ibxmedicare.com/providerfinder.
2. Search for providers in your area by clicking *Choose a location* and entering an address, city, or ZIP code.
3. Search by a specific health plan network by clicking *All Plans*, then *Find a different plan*. You can narrow your search by doctor name, doctor specialty, hospital or clinic name, or provider type. You can easily sort and refine your results by:
 - Specialty
 - PCP
 - Quality recognitions
 - Languages spoken
 - Admitting privileges
 - Provider type
 - Location services
 - Board certifications
 - Gender
4. If you're enrolling in a Keystone 65 HMO plan, make sure to fill out your desired in-network PCP during the application process.

How to find a network pharmacy

1. Go to ibxmedicare.com/pharmacyfinder.
2. Click *Find a Network Pharmacy* and select your plan from the drop-down menu.
3. Search by pharmacy name or location. You can refine your results by:
 - Preferred pharmacies
 - Indian/Tribal/Urban services
 - Open 24 hours
 - Long-term care
 - Home infusion services
4. Each pharmacy result is listed as a preferred or standard pharmacy.

How to find out if a drug is on the formulary

1. Go to ibxmedicare.com/formulary.
2. Click on your plan's name under your type of health coverage (i.e., individual or group).
3. Once the tool opens, click on *Prescription Drug List* and select your plan from the drop-down menu.
4. Search by drug name, therapeutic class, or tier.

After You Enroll

After you enroll, use this checklist to keep track of your new plan. You will hear from us within approximately 30 days of your acceptance into the plan.

ENROLLMENT CHECKLIST

What to expect from your plan:

Material Name	Description	Received
 Plan confirmation/ acceptance letter	We will send you a letter within 10 days of the Centers for Medicare & Medicaid Services' approval of your enrollment.	<input type="checkbox"/>
 Enrollment verification letter	An enrollment verification letter is required for enrollment requests received by an individual assisted by an independent or employed agent/broker who provided plan-specific information to the individual.	<input type="checkbox"/>
 New member welcome kit	This kit contains your <i>Evidence of Coverage</i> (EOC) — a complete description of your Medicare Advantage plan coverage and your rights as a member. It also contains information on how to find the plan's drug formulary (if applicable) and other important forms, such as electronic billing and mail order sign-up.	<input type="checkbox"/>
 Your bill	We generate premium bills each month. If you have a plan with a premium and you signed up for your plan early in the month, you may get your first bill before your plan's start date. If you signed up later in the month, your first bill may include two months of premiums. (Our billing cycle factors in one month's premium in advance). To join one of our plans, you'll need to continue paying your Medicare Part A and/or Part B premiums (if not otherwise paid for under Medicaid or another third party). This is in addition to your Independence plan coverage.	<input type="checkbox"/>

Material Name	Description	Received

Member ID card

Use your Independence member ID card (not your Medicare card) every time you visit the doctor, hospital, or pharmacy (if you have prescription coverage). If you have a Keystone 65 HMO plan, make sure your PCP is on the card or call our Member Help Team to have them added. You will receive your ID card after you receive your confirmation letter.

IBX Care Card

Your IBX Care Card is a convenient way to save money and access your OTC and — for select plans — dental, vision, and hearing flex benefits, all on one card. It comes preloaded with funds you can use at participating retailers.

Personalized health visit

Independence members have access to personal health visits, which are visits from a licensed health professional. These visits last about an hour and include a brief health assessment. They are a helpful and convenient way to get personalized health advice in the comfort of the home and are offered to our members at no extra cost. This service is optional, and the visits will not affect the member’s current health insurance benefits or premiums. Members may receive a call or a flier in the mail from one of our health care vendors to see if they are interested in scheduling a visit. This visit should not replace an annual wellness visit with the member’s primary care provider.

Doctor visit

Take advantage of your annual wellness visit, which is covered by Medicare without a copay or coinsurance. It’s a great opportunity for you and your doctor to review your medical history, identify risk factors to your health, and discuss a plan to prevent illness and improve your health.
