2019 Vision Provider Directory

PERSONAL
CHOICE

This directory provides a list of Personal Choice 65 PPO's network providers.

This directory is for the 50 states in the United States.

This directory is current as of June 2018. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about the Personal Choice 65 network providers in your area, you can visit www.ibxmedicare.com or call our Member Help Team at **1-888-718-3333**, seven days a week, 8 a.m. to 8 p.m. TTY/TDD users should call **711**. Please note that on weekends and holidays from April 1 through September 30, your call may be sent to voicemail.

Independence 

Personal Choice 65SM PPO

Introduction

This booklet provides a list of Personal Choice 65's network providers. To get a complete description of your vision coverage, please review your *Evidence of Coverage*.

You should use this directory to locate a health care provider in the Personal Choice 65 network. You do not need a referral from a physician for specialty care covered services.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Please refer to Chapter 4 of the *Evidence of Coverage* for more information on covered health services that you get from non-contracting providers. If a non-contracting provider submits a bill directly to you and asks you to pay for covered services you received from the non-contracting provider, you should not pay the bill. Instead, please submit the bill to Personal Choice 65 for processing and determination of your liability, if any. It is best to ask a non-contracting provider to bill Personal Choice 65 first, but if you already paid for the covered services, we will pay you for our share of the cost. If you get a bill for the services, you may send the bill to Personal Choice 65 for payment. We will pay the non-contracting provider for our share of the bill and will let you know what, if anything, you must pay. You won't have to pay a non-contracting provider any more than what the non-contracting provider would have received from you if you had been covered under the Original Medicare plan.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
