Section 1 – Introduction

This booklet provides a list of Keystone 65 and Personal Choice 65 vision network providers, along with Keystone 65 dental network providers. To get a complete description of your vision or dental (Keystone 65 HMO ONLY) coverage, please review your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide you with your vision and dental services. You may go to any of our network providers listed in this directory.

How should you use this directory?

You should use this directory to locate a vision or dental (Keystone 65 HMO ONLY) network provider.

How do you get care from an out-of-network vision provider as a Personal Choice 65 PPO member?

Personal Choice 65 PPO will cover services from either in-network or out-of-network vision providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network vision provider, your share of the costs for your covered services may be higher. You must submit a claim directly to Personal Choice 65 for services provided by an out-of-network vision provider.
