2022

Summary of Benefits

Effective January 1, 2022 through December 31, 2022

- Keystone 65 Preferred Medical-Only HMO
- Keystone 65 Preferred Rx HMO

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the ***Evidence of Coverage*** or go online at **www.ibxmedicare.com**.

This *Summary of Benefits* booklet gives you a summary of what Keystone 65 Preferred Medical-Only HMO and Keystone 65 Preferred Rx HMO cover and what you pay.

Keystone 65 Preferred Medical-Only HMO and Keystone 65 Preferred Rx HMO are Medicare Advantage HMO (Health Maintenance Organization) plans. With an HMO plan, members choose a family doctor, called a primary care physician (PCP), who provides the services they need. When they need specialized care, PCPs refer members to other doctors or health care providers within the HMO provider network.

If you want to compare our plans with other available Medicare health plans, ask the other plan(s) for their *Summary of Benefits* booklet. Or, use the Medicare Plan Finder at **www.medicare.gov**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at **www.medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

"Total yearly drug costs" are the total drug costs paid by both you and our Part D plan.</p> <p>You may get your drugs at network retail pharmacies and mail-order pharmacies.</p> <p>Cost-sharing may change depending on the pharmacy you choose and when you move into each stage of your Part D benefits. You may fill your prescriptions at either a preferred or standard pharmacy. <p>Initial Coverage Stage</p>	<p>Part D prescription drugs are not available with this plan.</p>	<p>During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>You begin in this stage when you fill your first prescription of the year. You stay in this stage until your year-to-date “total drug costs” (your payments plus any Part D plan payments) total \$4,430. If you reside in a long-term care facility, you pay the same as at a retail pharmacy. This plan has a preferred pharmacy network; cost-sharing for drugs may vary depending on the pharmacy used.</p> <p>You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy.</p>
<p>Coverage Gap Stage</p>	<p>Part D prescription drugs are not available with this plan.</p>	<p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>
<p>Catastrophic Coverage Stage</p>	<p>Part D prescription drugs are not available with this plan.</p>	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,050, you pay the greater of:</p> <ul style="list-style-type: none"> • 5% of the costs, or; • \$3.95 copayment for generic (including brand drugs tested as generic) and a \$9.85 copayment for all other drugs

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at 1-800-645-3965 (TTY/TDD: 711).

Understanding the Benefits

- Review the full list of benefits found in the *Evidence of Coverage* (EOC), especially for those services for which you routinely see a doctor. Visit www.ibxmedicare.com or call 1-800-645-3965 (TTY/TDD: 711) to view a copy of the EOC.

- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2023.

- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
