This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the ***Evidence of Coverage*** or go online at **[ibxmedicare.com](http://ibxmedicare.com)**.

This *Summary of Benefits* booklet gives you a summary of what Keystone 65 Basic Rx HMO, Keystone 65 Focus Rx HMO-POS, Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, and Keystone 65 Select Rx HMO cover and what you pay.

Keystone 65 Basic Rx HMO, Keystone 65 Focus Rx HMO-POS, Keystone 65 Liberty Medical-Only HMO, Keystone 65 Select Medical-Only HMO, and Keystone 65 Select Rx HMO are Medicare Advantage HMO (Health Maintenance Organization) plans. With an HMO plan, members choose a family doctor, called a primary care physician (PCP), who provides the services they need. When they need specialized care, PCPs refer members to other doctors or health care providers within the HMO provider network. Keystone 65 Focus Rx HMO-POS has a Point-of-Service (POS) option. "Point-of-service" means you can use providers outside the plan's network for an additional cost. Members pay less if they use doctors, hospitals, and other health care providers that belong to the plan's network. If you choose to see a doctor or specialist out of network, you may pay a higher cost-share except in the case of an emergency.

If you want to compare our plans with other available Medicare health plans, ask the other plan(s) for their *Summary of Benefits* booklet. Or, use the Medicare Plan Finder at **[medicare.gov](http://medicare.gov)**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at **[medicare.gov](http://medicare.gov)** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week.

TTY users should call **1-877-486-2048**.

Part D Prescription Drug Benefits are available for members of Keystone 65 Basic Rx HMO, Keystone 65 Focus Rx HMO-POS, and Keystone 65 Select Rx HMO.

<b>Initial Coverage Stage</b>	<p>During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>You begin in this stage when you fill your first prescription of the year. You stay in this stage until your year-to-date "total drug costs" (your payments plus any Part D plan payments) total \$4,660.</p> <p>If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy.</p>
<b>Coverage Gap Stage</b>	<p>Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,660.</p> <p>After you enter the coverage gap, you pay 25% of the plan's cost for covered brand-name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,400, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>
<b>Catastrophic Coverage Stage</b>	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,400, you pay the greater of:</p> <ul style="list-style-type: none"><li>• 5% of the costs; or</li><li>• \$4.15 copayment for generic (including brand drugs tested as generic) and a \$10.35 copayment for all other drugs</li></ul>

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at **1-800-645-3965 (TTY/TDD: 711)**.

### Understanding the Benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **ibxmedicare.com** or call **1-800-645-3965 (TTY/TDD: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our Keystone 65 Focus Rx HMO-POS plan allows you to see providers outside of our network (non-contracted providers). However, while we pay for certain covered services provided by a non-contracted provider, the provider must agree to treat you. Except in emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
