

# Select Option<sup>®</sup> PDP Electronic Funds Transfer

## Paying your monthly premium just got easier!

Electronic Funds Transfer (EFT) is a payment option that lets you quickly and automatically pay your Select Option plan premium bills each month. Once you sign up for EFT, you'll never have to write checks for plan premium bills again.

### Never forget to make a payment

With EFT, each bill is automatically deducted from your checking or savings account. You'll never be bothered with remembering to pay your bill. EFT takes care of it for you, even when you're away on vacation.

### It's free!

EFT is absolutely free. There are no sign-up fees or charges per transaction, and you'll save money on postage.

### What if I don't have enough money in my account?

EFT takes the worry out of writing a premium check each month. However, if Select Option does not receive the appropriate funds as a result of insufficient funds in your bank account, you will be billed through the mail for your monthly premium.

### Sign up for EFT

It's easy to sign up for EFT. Just complete the authorization form below (both sides) and follow the instructions on the back of this form.

## To register for EFT

Complete the authorization form below (both sides) and send it to PO Box 41535, Philadelphia, PA 1910-1535 along with a voided check. If you want the debit to come from your savings account, please contact your financial institution and request the ABA routing number. Use only one form per applicant.

After mailing your completed EFT application to Select Option, you should continue to pay your monthly premium directly to the plan until you receive confirmation of enrollment in the EFT program.

If you need assistance completing this form, please call our Member Help Team.

## What to expect upon enrollment in EFT

Upon confirmation of your information and account status, your electronic withdrawal may begin as early as next month.

Payments will be debited on the 5th day of each month, unless the 5th falls on a weekend or bank holiday. If that happens, the deduction will occur on the next business day.

Please await written confirmation that you are enrolled in the program before you stop paying your bill by check or on our website.

If Select Option does not receive payment as a result of insufficient funds in your bank account, you will receive a notice that your payment is past-due. If your EFT payment remains unresolved the following month, you will be dropped from the program and be billed through the mail. Your bank may impose charges for payments declined due to insufficient funds. If you fail to pay your monthly premium after receiving a paper bill, you will be sent a notice reminding you that your plan premium is due in full.
